TRAINING & PLACEMENT CELL

About Training & Placement Cell

The Training & Placement Cell at Patliputra College of Professional Education acts as a vital bridge between the students and the corporate world. It is committed to preparing students for a successful professional career by providing comprehensive training and placement support. The cell works actively to build strong industry-academia connections and ensures that students are equipped with the necessary skills and knowledge to meet the evolving demands of the job market.

The Training & Placement Cell is considered to be a core part of the institution, directed to give training to students in various aspects that help them secure rewarding professional positions. It guides students to recognize their own interests, specific skills, and abilities to strive for optimal opportunities in the present scenario, uniting members to adapt students to the challenges of a competitive world.

Objectives of Training & Placement Cell

- **Skill Enhancement:** To enhance employability skills through rigorous training programs covering resume writing, aptitude tests, group discussions, interview techniques, and professional etiquette.
- **Placement Assistance:** To assist students in securing full-time employment by organizing campus recruitment drives and centralized pool drives.
- **Post-Placement Guidance:** To provide continuous career guidance aligned with academic milestones and evolving professional requirements.
- **Industry Collaboration:** To establish and nurture robust partnerships with leading industries, organizations, and recruiters.
- **Alumni Engagement:** To foster strong connections with our alumni network and leverage their expertise and industry connections to benefit current students.

Composition of Training & Placement Cell

The committee and operational members of the Training & Placement Cell are constituted as follows:
